Forward-looking Statements

This presentation may contain forward-looking statements. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other developments or companies, shifts in customer demands, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training, property operating expenses), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management regarding future events. No representation or warranty express or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Neither CapitaLand Investment Limited (“CapitaLand Investment”) nor any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use of, reliance on or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CapitaLand Investment or any of the listed funds managed by CapitaLand Investment Group (“CLI Listed Funds”) is not indicative of future performance. CLI's Lodging Business

Lodging Management (LM)

Investment Management (IM)

Description

- LM revenue largely comprises fees from management contracts and franchise agreements
- 90% of units → Asset-light management contracts and franchise
 - Recurring fee income with generally 10-20 years contract terms

- Lodging IM derives its revenue across Ascott's diversified global portfolio
- Revenue streams include returns from owned properties and leased properties, and CLI's ownership proportion of returns from fund management platform e.g. CLAS and private funds
